Pluxee UK Ltd., (“we”) are committed to protecting and respecting your privacy.

SCOPE OF POLICY

This policy (together with our end-user licence agreement as set out at <https://www.apple.com/legal/sla/> (EULA) and any additional terms of use incorporated by reference into the EULA, together our Terms of Use) applies to your use of:

- ✦ Digital wallet Apple mobile application software (App) available on our site or hosted on [https://www.apple.com/legal/sla/\(App Site\)](https://www.apple.com/legal/sla/(App Site)), once you have downloaded or streamed a copy of the App onto your mobile telephone or handheld device (Device).
- ✦ Any of the services accessible through the App (Services) that are available on the App Site or other sites of ours (Services Sites), unless the EULA states that a separate privacy policy applies to a particular Service, in which case that privacy policy only applies.

This policy sets out the basis on which any personal data we collect from you, or that you provide to us, will be processed by us. Please read the following carefully to understand our views and practices regarding your personal data and how We will treat it.

For the purpose of the Data Protection Act 2018, the data controller is Pluxee UK Ltd., (02680629) of Enigma, The Park MK, Ortensia Drive, Wavendon, Milton Keynes, England, MK17 8LX.

INFORMATION WE COLLECT FROM YOU

We will collect and process the following data about you:

- ✦ Information you give us (Submitted information): This is information you give us about you by filling in forms on the App Site and the Services Sites (together Our Sites), or by corresponding with us (for example, by e-mail or chat). It includes information you provide when you register to use the App Site, download or register an App, subscribe to any of our Services, search for an App or Service, make an in-App purchase, share data via an App’s social media functions, enter a competition, promotion or survey and when you report a problem with an App, our Services, or any of our Sites. If you contact us, We will keep a record of that correspondence. The information you give us may include your name, address, e-mail address and phone number, the Device’s phone number, age, username, password and

- ✦ Other registration information including push notifications, financial and credit card information and tracking your transaction activity at retailers including when we provide customer service.
- ✦ Information we collect about you and your device. Each time you visit one of our Sites or use one of our Apps we will automatically collect the following information:
 - Technical information, including the type of mobile device you use, a unique device identifier (for example, your Device's IMEI number, the MAC address of the Device's wireless network interface, or the mobile phone number used by the Device), mobile network information, your mobile operating system, the type of mobile browser you use and time zone setting (Device Information);
 - Information stored on your Device, including login information or other digital content and check ins (Content Information); or details of your use of any of our Apps or your visits to any of Our Sites including, but not limited to traffic data, weblogs and other communication data, whether this is required for our own billing purposes or otherwise and the resources that you access (Log Information).
 - Location information. We also use GPS or other technology to determine your current location. Some of our location-enabled Services require your personal data for the feature to work. If you wish to use the particular feature, you will be asked to consent to your data being used for this purpose. You can withdraw your consent at any time by turning off the location services on your device through app or in your device settings.
 - Information we receive from other sources (Third Party Information). We are working closely with third parties (including, for example, business partners, subcontractors in technical, payment and delivery services, advertising networks, analytics providers, search information providers, credit reference agencies). We will notify you when we receive information about you from them and the purposes for which we intend to use that information.
 - Unique application numbers: when you install or uninstall a Service containing a unique application number or when such a Service searches for automatic updates, that number and information about your installation, for example, the type of operating system, may be sent to us.

COOKIES

We use cookies to distinguish you from other users of the App, App Site, Appstore or Service Site. This helps us to provide you with a good experience when you use the App or browse any of the sites and also allows us to improve the App and Our sites. For detailed information on the cookies We use and the purposes for which We use them.

Some business partners (e.g., advertisers, tracking utilities) use cookies and web beacons on their site(s). We do not have access or control over these tracking technologies. We do not share your personal data with these advertisers.

This policy covers the use of cookies on this App, App Site or Service Site. It does not cover the use of cookies by any third parties. For more information about cookies, including further details as to what they are and how to refuse them, please visit www.allaboutcookies.org.

 - enforce or apply the EULA, Our Terms of Use, terms and conditions of supply (available on the programme website) and other agreements or to investigate potential breaches; or
 - protect the rights, property or safety of Imagor SA, our customers, or others. This includes exchanging information with other companies and organisations for the purposes of fraud protection and credit risk reduction.

WHERE WE STORE YOUR PERSONAL DATA

The data that We collect from you will be transferred to, and stored at, a destination within the European Economic Area (EEA). It will also be processed by staff operating within the EEA who work for us or for one of our suppliers. These staff may be engaged in the fulfilment of your request, order or reservation, the processing of your payment details and the provision of support services. By submitting your personal data, you agree to this transfer, storing or processing. We will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this privacy policy.

All information you provide to us is stored on our secure servers. Any payment transactions carried out by us or our chosen third-party provider of payment processing services will be encrypted using Secured Sockets Layer technology. Where We have given you (or where you have chosen) a password that enables you to access certain parts of Our Sites, you are responsible for keeping this password confidential. We ask you not to share a password with anyone.

Unfortunately, the transmission of information via the internet is not completely secure. Although We will do our best to protect your personal data, We cannot guarantee the security of your data transmitted to Our Sites; any transmission is at your own risk. Once We have received your information, We will use strict procedures and security features to try to prevent unauthorised access. Please contact us if you require a copy of our security procedure.

We will collect and store personal data on your Device using application data caches and browser web storage (including HTML 5) and other technology.

Certain Services include social networking, chat room or forum features. Ensure when using these features that you do not submit any personal data that you do not want to be seen, collected or used by other users.

YOUR RIGHTS

You have the right to ask us not to process your personal data for marketing purposes. We will usually inform you (before collecting your data) if We intend to use your data for such purposes or if We intend to disclose your information to any third party for such purposes. You can exercise your right to prevent such processing by checking certain boxes on the forms We use to collect your data.
